January 2010

Dear Robindel Parents,

We wish to extend our warmest greetings and sincerest best wishes to you and your family. We appreciate your faith and continued confidence in Robindel.

As always, we are planning to provide a diverse and exciting program, a skilled and caring counselor staff and a superior facility combined with modern equipment to assure our girls the opportunity of having an enjoyable and worthwhile camping experience.

Our girls will leave for camp on **Saturday, June 26**. Our return is scheduled for **Saturday, August 14**. Exact time, place and specific instructions will be mailed later.

You should plan to **visit one day** as follows: **Friday, July 23** or **Saturday, July 31**. Parents are invited to join their children for lunch. Siblings and other relatives are welcome to join you. Visiting days will **end at 3:30 pm**. To avoid disruption of our program, relatives, including **grandparents**, if they wish to visit, **must visit on one of the two official visiting days**. Sisters entering 1st grade or above in the fall of 2010 are welcome to sleep over **Thursday** night July 22 or **Friday** night July 30 with their camper sister. Visiting days will provide you the opportunity to observe our instructional program. No campers may leave camp during your visit unless the directors authorize such because of bad weather. **No gratuities** are to be offered to any member of our counselor staff. **Parents with two children may visit only one day**. **Juniper campers will return from Canada late on Saturday, July 31**. **Parents & grandparents of these girls may visit on Sunday, August 1, if they do not visit with siblings or relatives on the July 31**.

Our Web site at www.robindel.com contains a list of numerous motels and restaurants located in our vicinity. The enclosed items include the Clothing and Equipment Memo, January 2010 Memo and the January Questionnaire (fill out and **RETURN IMMEDIATELY** so that we can begin working on camp sister assignments). All the information in this mailing can be viewed on our Web site. The Cloz Company Catalog is also enclosed and can be viewed at www.cloz.com.

With warmest greetings, we are

Ann & Nat
