

January 2011

Dear Robindel Parents,

We wish to extend our warmest greetings and sincerest best wishes to you and your family. We appreciate your faith and continued confidence in Robindel.

As always, we are planning to provide a diverse and exciting program, a skilled and caring counselor staff and a superior facility combined with modern equipment to assure our girls the opportunity of having an enjoyable and worthwhile camping experience.

Our girls will leave for camp on **Saturday, June 25**. Our return is scheduled for **Saturday, August 13**. Exact time, place and specific instructions will be mailed later.

You should plan to **visit one day** as follows: **Friday, July 22** or **Saturday, July 30**. Parents are invited to join their children for lunch. Siblings and other relatives are welcome to join you. Visiting days will **end at 3:30 pm**. To avoid disruption of our program, relatives, including **grandparents**, if they wish to visit, **must visit on one of the two official visiting days**. Sisters entering 1st grade or above in the fall of 2011 are welcome to sleep over **Thursday** night July 21 or **Friday** night July 29 with their camper sister. Visiting days will provide you the opportunity to observe our instructional program. No campers may leave camp during your visit unless the directors authorize such because of bad weather. **No gratuities** are to be offered to any member of our counselor staff. **Parents with two children may visit only one day**. **Juniper campers will return from Canada late afternoon on Saturday, July 30**. **Parents and grandparents of these girls may visit on Sunday, July 31, if they do not visit with siblings or relatives on the July 30**.

Our website (www.robindel.com) contains a list of **motels** and restaurants located in our vicinity. Enclosed are the **Interim Statement** due February 1, January 2011 Memo, January 2011 Questionnaire (fill out & **RETURN IMMEDIATELY** in order for us to begin working on camp sister assignments), and the Clothing and Equipment Memo 2011. All the information in this mailing can be viewed on our Web site. The Campspot catalog can also be viewed at **www.thecampspot.com**.

With warmest greetings, we are

Ann & Nat
