Instructions for uploading forms in CampMinder

These instructions apply to forms that must be **downloaded** and filled out by hand
(note that Online Forms must be filled out online and cannot be printed)

First, let's make sure that we are using the same terminology!

When you **DOWNLOAD** a form you are taking it from CampMinder and saving it onto your own computer.

After you have printed out the form and filled it out, you have 3 options for returning it to us:

1. Snail Mail to the PA Address: 1271 Mill Road. Meadowbrook, PA 19046
2. Scan it onto your computer and Email it to cori@robindel.com
3. **Scan it onto your computer and UPLOAD it into CampMinder**

(Instead of scanning you may also take a photo...just be sure that it is a clear photo please!)

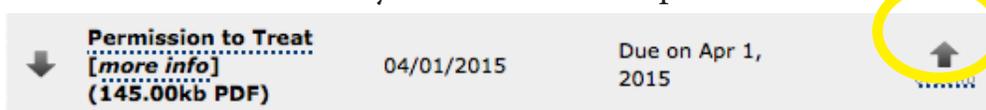

The following instructions are for option #3:

Downloading the blank form and then uploading the completed form into CampMinder

Once you are logged into CampMinder, click on "Forms & Documents" to see a list of all forms that need to be filled out.

1. Click on the form name (e.g., "Permission to Treat (more info) (145.00kb PDF)") and click the **DOWNLOAD** icon (highlighted with a yellow circle).

2. Follow the steps to **download** the form onto your computer.
3. Open the form from your computer and print it.
4. Fill out the form completely.
5. Scan the completed form onto your computer and save it as a **PDF**.
6. Go back to the "Forms & Documents" menu in CampMinder and click Upload next to the name of the form which you would like to upload.

7. Browse for & select the completed form on your computer, then press "Upload." You should notice that the "Status" now indicates that your form was uploaded.
