Summer 2016 Edition

Camp Countdown: 7 Days!

Summer 2016 is nearly here!

We are beyond delighted with an exceptional return of campers and an excited group of new Robindel campers. We have been training our staff and we are honored that over 70 of them have chosen to return for another summer with us. In addition, we are happy to welcome 10 girls from Juniper 2012 to our CR Staff. We have some wonderful programs planned for the summer including soccer, lacrosse and basketball workshops, new all-camp B&W activities and special evening activities. We have made changes to our riding program that we feel confident the girls will benefit from including major improvements to the stables and new horses. Our basketball courts have been completely resurfaced and painted. Buffalo Bob is expanding the tennis program to include badminton and pickle ball for girls to play during their free time. **We have also purchased 2 brand new ski boats for our waterski department!!**
