About our Retreat Center

Camp Robindel is located on beautiful Lake Winnepesaukee in New Hampshire. It is a peaceful place where groups can leave the bustle and distraction of everyday life and deepen relationships with one another. We are available for retreats, conferences, camps, meetings, reunions, weddings and more when our summer camp is not in session. Most of our buildings are not winterized, so our rental periods are generally from May to mid-June and mid-August through October.

- Our facility includes over 75 acres and 1550 feet of shoreline with a 700 ft. natural sand beach.
- We are 2.5 hours from Boston, 1.5 hours from Manchester.
- Meeting facilities include a 7,000 square foot recreation building, a modern air-conditioned 4,100 square foot dining hall on the lake, and many additional smaller buildings for group gatherings.
- We will provide a site manager and chef who will work with you to suit your specific needs.
- All sleeping facilities have windows, screens, electricity, bathrooms and showers.

We are happy to work with you to set up a rental that best suits your group.

Costs vary based on the size of your group and the type of program that you are looking for.

We are able to provide:

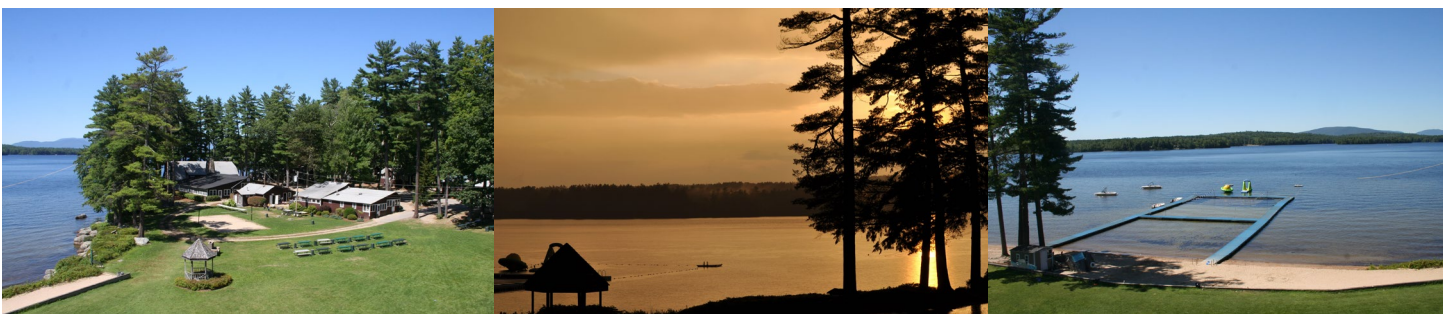

- Lifeguards
- Challenge course facilitators for the high and low ropes course
- Motor boat drivers

- Use of sports fields and equipment
- Use of sound systems
